During 2016, the HST WG successfully completed all planned activities from the previous year and propose activities for the following year. Here are the major activities for 2016:

- Successfully organise the 13th HST World Championship in Igalo, Montenegro.
- Discussed the need to make minor corrections to the HST rules (to be completed before IARU conference in 2017)
- Start a procedure for election of the host of the 2017 championship
- Received 2 (two) official candidacies for host of the championship
- HST WG had an official WG meeting during the 13th World Championship in Igalo.
- Appointed MRASZ (Hungary) to host the HSTC 2017.

Planned activities for 2017 are:

- preparatory visit to Esztergom, Hungary.
- successful organization of the HSTC 2017
- election of the host of the 2018 championship
- HST WG meeting

During 2016, all members of the WG communicate permanently through e-mails and telephone to accomplish all planned activities.

I would like to express my appreciation to Mr. Oliver Tabakovski for his precious help to lead me into the details of my new position as HST WG Chairman.

Yours sincerely,

HSTWG Chairman IARU Region 1
Ivan Ivanov LZ1PJ
