## **IARU Region 1 General Conference 2017**

### **considering**

a) that in some years World/Region 1 ARDF and HST Championships match dates and competitors/visitors wishing to participate in both Championships must be deprived of one.

Examples:

2014: ARDF Kazakhstan, 6-13 September;  
HST Montenegro, 12-16 September.

2017: ARDF Lithuania, 4-10 September;  
HST Hungary, 8-12 September.

b) that, for similar considerations, ARDF/HST Championships shall not match dates of IARU HF and VHF/UHF/SHF contests.

### **decides**

1. The hosting societies of World/Region 1 ARDF and HST Championships shall coordinate the dates of these events not allowing for coincidence.
2. The hosting societies of World/Region 1 ARDF and HST Championships shall fix the dates of these events not allowing for coincidence with IARU HF and VHF/UHF/SHF contests.
3. The hosting societies of World/Region 1 ARDF and HST Championships shall announce the selected dates of these events not later than 1 December of the previous year.
4. When a certain Championship is hosted by Region 2 or Region 3 society, the obligation of Region 1 society, hosting the other Championship, is not to allow matching dates.
